

# **DIVINE TOUCH INTERNATIONAL SCHOOL (DTIS)**

## **Km 2, Afao Road, Ado Ekiti.**

8th March, 2022

### **DISTINGUISHED PARENTS/GUARDIANS,**

To God be the glory great things He hath done!!!!!!!!!!!!

We give all thanks and adoration to Almighty God for His ever-abiding presence in D.T.I.S community may His name alone be praised now and forever more Amen. We thank God for starting and ending 2<sup>nd</sup> Term 2021/2022 Academic Session successfully.

Our profound gratitude goes to our highly esteemed parents for their cooperation, commitment and support towards the smooth running of this great citadel of learning.

By the grace of God, as a distinguished citadel we have recorded excellent performances in our scholars at the end of this term in all facet of learning:

**Academic Activities:** This term had witnessed tremendous academic activities. We showcased our scholars for various competitions such as Ekiti State Spelling Bee, Oladunjoye Foundation Spelling Bee, TULIP National Mathematics Competition, Ekiti State Chess Tournament Competition and so on. To the glory of God our scholars came out victoriously in all these competitions. Also, all our scholars have stepped higher in their academic performance this term especially the weak ones.

**Holiday Assignment** All scholars from play group to Middle Basic five have been given holiday assignment/project. This is to keep them abreast academically and prepare them ahead for third term work. We therefore implore our parents to guide/instruct their ward(s) in order to attempt all the subjects on time in a 2A exercise book. Each subject will attract 20% of their 3<sup>rd</sup> Term First Continuous Assessment Test 2021/2022 Academic Session Scores. The submission date for the holiday project is the first week of resumption as no excuse will be tenable.

**Health:** As a school that raises a total child, it's our priority to ensure the health of all our scholars is very stable. Therefore, our parents are advised to always pay attention to their ward(s) health condition before bringing them to school and they should always be protected from cold by kitting them up on the appropriate school wears. Also, the school cardigan should be used whenever the weather is cold. Our parents especially early years 'parents are implored to stop **the use of beads on their ward's hair**. Our prayer is that, none of our scholars will be a victim of any evil circumstances in Jesus name.

**Children Appearance in the school:** Our pupils are to appear in school on their well pressed school uniform, clean socks with the **school shoe** on Monday, Tuesday and Thursday while they are expected to put on their sport wears on Wednesday with **white trekkers**. **On Friday, our scholars are to appear on Friday's wear with trekkers of any color. Neatness is next to Godliness. Henceforth, wearing of cardigan other than D.T.I.S cardigan is highly prohibited. Our parents are hereby implored to adhere strictly to these instructions.**

**Hair Style:** We really appreciate parents who always comply by ensuring their ward(s) wears the school hair style. Once again, our scholars are to wear the following hairstyles throughout Third Term 2021/2022 Academic Session. 1. **Suku (either weaving or threading).** 2. **All back (either weaving or threading).**

**Hence, the use of dread lock, colored attachment and hairstyles with long attachment is highly prohibited as defaulters will be disciplined.**

**Punctuality:** Our profound appreciations goes to parents who obliged to the school resumption and closing time. We are still seriously frowning at parents who still bring their ward(s) late to school and those who comes late to pick their ward(s) after closing. Till now some scholars are still found at the gate with the security officers as late as 7pm. However, the school will not be responsible in case anything goes wrong with the child you left with the security officers as late as 7pm. As usual, school resumes class activities at 8am from Monday to Friday while we close 3:30pm from Monday to Thursday and 2pm on Friday. **Parents are expected to pick their ward(s) latest 5pm from Monday to Thursday and 3pm every Friday. Parents whose nature of job will not enable them meet up with the deadline for pickup should meet with the School Management for further discussion.**

**Complaint/Feedback:** We appreciate our parents for their feedback this time around. We need to tell you that your feedback makes us stronger and helps us to do things much better. Please, kindly channel your complaint to your child's manager/ class teacher or the Head Teacher as soon as they arise.

**Birthday celebration:** As a school we love celebrating scholars whose faith is not against birthday. However, parents are obliged to inform the school Head Teacher a week ahead whenever their ward(s) has gifts (non-edible goods) to share to his/her class mates.

**2021/2022 Academic Session End of the Session Party / Price & Award Giving Day:** As we all know that at the end of third term of every session all our scholars will be graduating to higher classes while some will be going to secondary school. This is an event all of us pray to witness in the life of our children. The stipulated amount for the party is on the 3<sup>rd</sup> term bill. Our parents are therefore implored to pay it on time in order to help us plan and serve you and our children better and for other logistics purpose. Our prayer is that the good God will continue to meet all our needs in Jesus name,

**School Bus Registration:** Parents who want their ward(s) to follow bus by 3<sup>rd</sup> term are to register them afresh by picking bus form at the reception. Alternatively, you can send your ward(s) registration details to 07013201311 in this order: (i) name, (ii) Class (iii) Phone number (iv) Morning or Afternoon (v) Address. Only registered scholars will be picked at resumption.

## **BOARDING**

We give thanks to the Almighty God, who kept us through the entire days in this term. We really want to appreciate the support we received from our boarding house parents.

We also want our parents/guardians to take note of the following:

- Henceforth, breezing in and breezing out of parents at any unwanted time will no longer be tolerated. Parents can only visit their ward(s) on visiting days.
- Handing over anything, be it eatables, drugs or materials without passing through the right channel for proper documentation will no longer be accommodated.
- Our Scholars are not allowed to keep money in the hostel. Parents should ensure that pocket money is properly documented in the cafeteria and not just transferring into boarding house master/mistress bank account without the knowledge of the Management. Our Scholars should be able to know what they have spent and what is remaining as balance in their cafeteria account.
- Boarders who are yet to submit their medical report should kindly do so. Parents/guardians should communicate their wards' health status to the School Management through the School Nurse at resumption for proper care and monitoring.

- Parents whose ward(s) have allergy to certain food and want to make alternative arrangement should approach the Management on/before resumption to discuss possible alternative food to be given and the cost implication.
- The Management enjoins parents to caution their wards not to be involved in any form of bullying activities within the school as any child caught bullying will be expelled from the hostel without refund of boarding fee.
- Parents/guardians are to take note that boarding fee is not refundable.
- The School Management will only allow scholars to go home during mid-term break and vacation. Boarding house students will no longer be given permit to go home frequently during the term.
- Parents are advised to go through boarding house requirement list and ensure their ward(s) come along with the right items at resumption.

The Management wishes to reassure our parents/guardians that we are fully committed to the realization of DTIS mission & vision.

**School Fees:** We want to use this medium to really appreciate our dear parents for their cooperation regarding the payment of their ward(s) school fees. However, we enjoin those that are still owing 2<sup>nd</sup> Term school fee to pay into the school account before the end of this month to avoid accumulation of fee and school fees drive on the first day of third term resumption.

Below are **the details of third term bill.**
